• *REQUEST FOR ENTRANCE OF AMENDMENTS AND CONSIDERATION OF ARGUMENTS*

Applicants respectfully request entrance of the amendments, and consideration of its arguments set forth below. Amended/new claims that may be construed as more limiting in scope than the scope of any of the claims prior to amendment/cancellation/addition should not be construed as an abandonment of any subject matter no longer claimed, nor should the amended/new claims be construed in any manner to waive or limit the equivalent structures of any element recited in such claims that would otherwise be available under the Doctrine of Equivalents with respect to the unamended/cancelled claims.

Amendment/cancellation/addition of the claims is not in any manner intended to, and should not be construed to, waive Applicant's right in the future to seek protection for the subject matter claimed in prior claims, or to seek protection for similar matter in any continuation, divisional, continuation-in-part, RCE, CPA or any other application claiming priority to or through the present application. Applicants expressly reserve the right to file applications directed to the subject matter covered by any cancelled or previously submitted claim, as well as any uncovered subject matter disclosed in the specification.
